

## **FISCAL NOTE**

TO: Chief Clerk of the Senate  
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: February 21, 1995

SUBJECT: **HB 352 - SB 964**

This bill, if enacted, will allow local government entities to conduct certain driver improvement courses. The bill provides that a fee may be assessed for the course and may not exceed \$50.

The fiscal impact on local governments from enactment of this bill in and of itself is estimated to be minimal since the provisions of the bill are permissive.

The fiscal impact from enactment of this bill is estimated to be an increase in first year local government expenditures to the extent local government entities conduct driver improvement courses and an increase in first year local government revenues from the fee assessed for taking the course. A reasonable estimate of the increase in local government expenditures and revenues cannot be determined, but the net impact is estimated not to be significant.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

James A. Davenport, Executive Director
